

The National Scholarship Programme is being introduced in 2012 to help new Higher Education students from disadvantaged backgrounds. Moulton College will match the government funding available to the College in order to make additional scholarships available.

How many scholarships will we award?

We will award 6 full-time scholarships of £3,000 and 6 part-time scholarships of £2,000

Full-time students will receive £3,000 and part-time students £2,000 subject to the eligibility criteria below. Successful full-time undergraduate students will be entitled to £3,000 for their first year of study.
