BCS EM League

Moulton College

18 – 15

QE & Wyggeston 6th Form College

Moulton entered this BCS competition with eager anticipation. Connor Gracey opened the scoring with a well taken try on 21 minutes for a 5-0 lead. Moulton then succumbed to a period of sustained pressure in which they struggled to gain any momentum and QEW took the lead after scoring two well worked tries to take it to 5-10.

Moulton managed to grab hold of the game and string some phases together; the ball was passed out to Lewis Jones who spotted some space on the open side wing and put in a deft chip for Jake Chalmers to race through and score in the left hand corner to make it 10-10 at half time.

The second half started well with Moulton's forwards starting to secure more ball and, after a good forward drive, it was Harry Morley who crashed through the middle of a ruck to score from close range on 50mins. However, QEW responded well and rallied to score straight from the restart.

Some indiscipline on both sides resulted in a yellow card for each team in what was a highly competitive match. Moulton secured possession deep in the 22 of QEW and won a penalty. Adam Love stepped up to slot the kick to make it 18-15 to Moulton.

As the clock ran down Moulton managed to play territory and keep the ball deep in the opposition half to grind out the win. Overall a gritty and determined performance from Moulton; however, the players need to work on their decision making in certain parts of the pitch when under pressure.

Men's Football Academy 1st XI

16.11.11

BCS NCFL League Gp1

Derby College

2 – 2

Moulton College

Moulton started the game playing down the slope on a very bumpy pitch. They played the conditions very well throughout and went ahead after three minutes when a long throw by Jake Seeley into the penalty area wasn't cleared by the hesitant home defence and Cameron Glen headed in from close range.

This settled Moulton straight away but the uneven pitch made it difficult for both sides to get the ball down and play any decent football, However, Moulton nearly scored again from a great run and cross from Jake Seeley, but Kieran Johnson's header went just over.

Derby gradually got themselves into the game and should have scored twice as firstly Alex Vitue had to be alert to turn one shot around the post and then the Derby forward had the goal at his mercy only to hit the bar from three yards out. Finally the Moulton defence couldn't deal with yet another ball into the box and Derby were level at 1-1.

Moulton did not let the goal affect their confidence and carried on working really hard. This paid off as Ashley Ogden and Reece Blackmore combined well in midfield to set Kieran Johnson on his way and he outpaced the home defence and guided the ball through the goalkeeper's legs to give Moulton a 2-1 lead.

Moulton were now on a high and should have gone further ahead when, after neat build up play between Daniel London and Jake Seeley, Andrew Felton found himself with just the goalkeeper to beat, but he screwed his effort wide.

The second half was played at a slower tempo as both sides struggled to play with any fluency and both defences were happy to clear the ball downfield. However, on the odd occasion Derby did get through, Sol Bowyer and Oliver Goddard stood firm for Moulton to keep the away side in front.

In the last fifteen minutes, despite all Moulton's hard work, they gave away a silly penalty and the Derby number ten gleefully gave his side a share of the spoils. It was hard on Moulton as they had worked hard for each other and it was a very good team performance that they can be proud of, however they must learn to keep concentrating until the final whistle.

British Colleges Men's East Midlands Division 1

Moulton College

48 – 75

Bilborough College

"Bilborough 'A' too strong for Moulton 'B'"

The Moulton College 'B' team found the first string of Bilborough College too strong for them in this East Midlands Division 1 game. In the first and third quarters Moulton were competitive but lost concentration in the second and fourth periods of play.

In the opening quarter Moulton stayed in touch with their opponents, thanks to some determined defence, although they found scoring difficult. These problems continued during the second period of play when they managed just five points. Far too frequently the small Moulton guards tried to penetrate into the Bilborough defence and, instead of passing the ball, tried to force up shots only to get blocked. During that ten minute period Moulton were able to score just five points and at half time trailed 30-17.

In order to exert defensive pressure Moulton switched to a trapping zone defence and initially this generated some easy scores to get the score back to 30-24 but they then proceeded to miss eight free throws and going into the last quarter were trailing 51-36. Moulton continued to play some tenacious defence during the final quarter but were outscored 14-5 over the last four minutes of the game to give the final score a rather unrealistic look at the end of the game.

No Moulton player was able to score in double figures but coach John Collins was pleased that 11 of his 12 players scored, led by Brien Mehmet with 8 points while Louis Hart, Sam Pursey and Danny Twelvetree all contributed 7 points

Women's Basketball Academy

16.11.11

British Colleges East Midlands Girl's League

Moulton College

67 – 57

Bilborough College

“Moulton girls maintain their unbeaten record”

The Moulton College girl's team maintained their unbeaten record with a ten points win over an inexperienced but athletic Bilborough College team. In the first quarter Moulton showed their class, jumping out to a 20-6 lead. During the second period of play Bilborough gained in confidence and their physical style of play adversely affected the Moulton girls who were guilty of losing concentration. Bilborough took the second period of play 19-16 and, with a half time score of 36-25, the Nottingham college were still well in contention.

During the half time interval, Moulton coach Karen Goodrich urged her players to impose their quality on the game but they continued to be frustrated by the physicality of the Bilborough payers. They were also guilty of making some appalling decisions and passing poorly. This allowed Bilborough to make a number of 'steals' and their athletic forward Ann Davies began to score at will.

Both teams managed 16 points in the third period and, thanks to a good start in the fourth quarter, Moulton opened up a 15 point lead at 64-49 but by now some key players were beginning to react to the continued physical play by Bilborough. When Moulton's two most experienced and talented players, Shanique Alexander and Liberty Windmill, fouled out of the game Bilborough sensed a chance of victory. The visitors proceeded to outscore Moulton 10-1 over the last three minutes of the game but Moulton held on to win 67-57.

In the ten point win Alexander led all scorers with 25 points. Windmill contributed 16 points and Livvie Lambe 12, while Coach Goodrich was full of praise for the tenacious and determined play of Charlotte Walker.

Mixed Hockey Academy 1st XI

16.11.11

Mixed League Fixture

Moulton

4 – 1

Loughborough College

“If at first you don’t succeed, try, try, and try again!”

After the cancellation of last week’s fixture, Moulton were more than ready for this week’s encounter. Playing at Loughborough University was a good experience, with some players having future aspirations to one day be playing in maroon and black representing the first team at the University.

The game started brightly for Moulton with a chance very early on involving Ant Condon and David Marriott moving in to areas they had worked on in training. The play was completely dominated by Moulton for the first 20 minutes but without finding an opportunity to score. Some relaxed umpiring could be the reason why a few more penalty corners were not awarded before Moulton were finally allowed their first opportunity. This was broken down but Stephan Williams managed to get a shot away which went just wide.

Chances came and went and as the coach remarked “after all this pressure, inevitably Loughborough will score”...Loughborough inevitably scored first and broke the deadlock. As Moulton tried to raise their spirits after a period of great play but without that lucrative goal, they managed to draw level with David Marriott’s first of the afternoon, pouncing on a bobbling shot and deflecting the ball past the flailing keeper.

A positive half time talk, reinforcing everything the team had done well, did the trick and David Marriott was on the score sheet again. This time the tireless work of Ella Dagnall paid off to dispossess Loughborough’s playmaker as he tried to advance up the pitch, making a 3 on 2 into goal, taking the score to 2-1 but with the game far from over.

Moulton again started to dominate and persistence with the game plan caused Loughborough College plenty of problems. Fittingly, a great team goal made the game 3-1 and a little more comfortable. The defence worked hard to regain the ball and a super quick counter break allowed Abi Dalton to pass to Ant Condon who made David Marriott’s hat-trick easy by slipping it to him back post for a tap in. James Knibb then made it 4-1 with a good solo run, getting the ball onto his strong reverse stick and leaving the keeper with no chance.

Loughborough then had their strong phase of the game and Moulton did well to dig deep, putting bodies on the line to prevent them from getting back into the game. Sam Bigely and Steph Brennan ensured the score line didn’t change, with Moulton learning quickly to get the ball out of congested areas. Deservedly, Moulton again finished strongest but were unable to add any more goals to the scoreboard.

Sports Report

Even though he scored a hat-trick this wasn't enough to land David Marriott the MOM award. In what was a fantastic display of *team play*, gaining fine compliments from the opposition coach, the award went to Ella Dagnall for her outstanding work-rate and ability to show the opposition males that she is no push over!

Golf Academy

16.11.11

Intercollegiate Tour

Host: Grimsby Institute (Cleethorpes Golf Club): Moulton Golf Academy, Easton College, Lincoln College

“Clean sweep for Moulton!”

A fantastic 5 under par from Gavin Cope (65) and a round of 69 from Jack Brown created the foundation for Moulton's victory in the both the gross and nett competitions at Cleethorpes Golf Club, ahead of Lincoln A and Easton College respectively. In the overall standings a ferocious battle is developing with Moulton leading the gross competition from Easton, whilst in the nett competition the positions are reversed. In the Order of Merit Jack Brown leads with 70 points from Easton's Calvin Sherwood (60) with Harry Woan in third (58.5).

Men's Football

16.11.11

BCS EM Cup

Moulton College

1 – 2

Bilborough College

“Moulton lose unbeaten record”

The College Football team took on Bilborough College to stay top of the league and made a dominating start to the game with Liam Cope settling the team down and playing from the back. Jake Bettles and David Pollard looked dangerous up front, forcing a succession of corners which on two occasions resulted in goal line scrambles.

The dominance paid off after 18 minutes with another goal line scramble which was eventually turned in by Jake Bettles. Moulton continued to play some excellent football down both wings, with Luke Adams linking up well with Jake Bettles down the left. Moulton College at times were pushing hard for a second goal. Liam Cope and Oli Magee were fantastic at the back, winning everything in the air but also having the composure and passion to continue playing from the back.

Moulton went in the more confident side at the break, with Bilborough only having had one shot on target, and made an excellent start to the second half with Luke Adams starting to pull the strings after moving into the middle of the midfield with the composed Cullum Turvey.

As the second half wore on, Moulton were put under increasing pressure, with the back four working tirelessly to keep the lead. Eventually Bilborough got the breakthrough from a free header in the six yard box. Moulton continued to press but struggled with the counter attacks, with Liam Cope making some tremendous tackles and interceptions at the back.

With the game going into the closing stages Bilborough started to find space in the Moulton half which they took full advantage of with a fine cross and another header from the edge of the six yard box to make it 2 – 1. A very disappointing result and Moulton need to learn how to close games out if they are going to be contenders for the league this year.

Men's Football Academy (Kettering Town XI)

16.11.11

Conference Youth Alliance

Watford Hertswood FC

1 - 0

Moulton College/KTFC

"10 man Watford let off the hook"

Moulton's Kettering Town academy team travelled to top of the table Watford on the back of two great wins and were looking to carry on their rich vein of form; however, the away side started the game so slowly it looked like they were still on the M1. Watford were quick and decisive in their passing and Kettering's midfield and back four could not cope with their speed and movement. Even though the home team were the better side in the first half, Kettering kept clear cut chances to a minimum, but it was only a defensive mistake that gave Watford the chance to score. Moulton's Freddie Ayears challenged for a loose, high ball but the rest of the defensive line allowed McArthur to run through and slip the ball in past Sam Ward.

Kettering came out for the second half a little quicker to the tackle, showing more decisive passing and this led to Watford's Jones making a rash challenge on Ben Ford, receiving a straight red card for a dangerous tackle. With Watford down to ten men you would have expected Kettering to be on top of the game, but it was the home side that looked like they had the extra man for large periods, creating clearer cut chances. Kettering then made three changes with Harry Beckley, Devante Hodgson, and Ryan Finnigan coming on for Taras Petranyuk, Julian Da Silva and Elliot Tomlinson and these gave Kettering the impetus to create more attempts at goal. Three of these chances dropped to Will Muzimbiri and, with the goal mouth beckoning, he missed the target on all occasions.

Kettering have come a long way from last season and to lose 1-0 against the team at the top of the table is not the end of the world, but they will never have a better chance of taking all three points.
