## Men's Football Academy (Kettering Town XI)

30.11.11

Conference Youth Alliance

Moulton College/KTFC

1 - 6

Tamworth FC

### *"Dramatic collapse costs KTFC"*

Moulton entertained Tamworth for the first time so they should have been motivated and anxious to do well. In fact they produced their worst and most lacklustre performance of the season so far against a side that is below them in the league.

Right from the whistle Tamworth looked sharper and livelier than the home side. Moulton's midfield could not get to grips with the strong opponents, letting waves and waves of attacks through the central areas. Tamworth's Kieran Clayton looked far too quick and agile and it was his run and shot that produced their first goal. For forty minutes it was largely one-way traffic with the home side having to produce last ditch tackles to prevent any more goals.

Moulton's only goal of the game was produced by a great ball into the centre from Harry Beckley for Reece Blackmore to head powerfully into the back of the net. After forty-five minutes Tamworth must have been amazed that the score was still 1-1 and for the next twenty-five minutes they would have been shocked that Moulton were the only ones that looked like scoring.

Tamworth scored their next goal from a breakaway after sustained pressure, with Jake Healy placing the ball into the back of the net from a Kieran Clayton cross. The home side seemed to collapse after this and four more goals came in quick succession from poor defending and a lack of heart from the whole team.

After four good performances Moulton should hope this is just a blip. They will have to significantly increase their effort if they wish to gain results in this very tough league.

## Women's Football

30.11.11

ESFA Cup

Gateway College                      1 – 5                      Moulton College

### *“10 man Moulton still victorious”*

Moulton went into the game with only ten players but were determined to get the win. The first goal came from Leah Ballinger as she shot from the 6 yard box from a through ball from the energetic Fay Noble. The Gateway ladies were getting frustrated as the Moulton team were defending excellently. Chantelle Reeve doubled Moulton's lead with a strong shot from the left, passing the keeper into the back of the net. Half-time was fast approaching when Cat Broomfield's shot was parried by the keeper for Leah Ballinger to tap in her second of the game.

Gateway tried to push but Moulton's back four were defending well under the leadership of Emily Baldry. Fay Noble then made the score four nil as her twenty yard shot found its way past a bemused goalkeeper. To finally cap off another superb Moulton performance, Leah Ballinger completed a hat-trick, taking Moulton into the quarter finals. A great performance with the reward of Doncaster Belles in the next round.
