

WELCOME
To the Equine Therapy
Centre at Moulton College!

**EQUINE THERAPY CENTRE ARRIVAL
&
HORSE PREPARATION AREA**

ALL clients are required to check in at the Equestrian Centre Reception on arrival, at least 10 minutes before their booked session time

Once checked in,

- Please bring your horse to the Horse Preparation area to prepare for your hydrotherapy session.
- Only one client's horse(s) permitted in this area at a time!

Ideally horses will have been prepped at home; however we know that your horse may have stepped in shavings in the lorry or rubbed their tail bandage off and therefore provisions have been made for final preparations to be carried out here.

- Please ensure that the yard gate is kept closed
- Use the hose, brushes and hoof picks to clean up your horse
- Prepare your horse for their hydrotherapy session according to the requirements for the session i.e. Tail bandaged for Aqua Treadmill Sessions
- Access to the Equine Therapy Yard Stables is not permitted.

COFFEE SHOP AND LAVATORIES

- If you wish to use the Coffee Shop or Lavatories, you will need to collect a visitors lanyard from the Equestrian Centre Reception
- See the Pitsford Centre Map for navigating our College Site
- Please remember to return the lanyard to the office after use
- Be aware that you will be visiting us during a normal College day, so you are likely to encounter our students while on the premises.

WELCOME

To the Equine Therapy Centre at Moulton College!
