# OUR PARTNERSHIP

---

Champion Workwear is proud to be working in partnership with Moulton College, preparing the students for a new and exciting academic year ahead.

This collaboration reflects our dedication to supporting the next generation of skilled professionals by providing high-quality, durable clothing designed for real-world use. By equipping students with reliable workwear and PPE, we want to not only enhance their learning experience but also encourage the value of hard work and pride in craftsmanship.

Together, this partnership empowers students to step confidently into their future careers, fully prepared and professionally presented.

This catalogue presents the uniform required for each course. All essential items must be purchased in order for the student to partake in the course. The optional items are extras that the student may wish to purchase instead of using their personal clothing.

*As all of our products are embroidered to order, they are non returnable and cannot be exchanged.*
