CODE OF CONDUCT FOR CORPORATION MEMBERS

(Made by the Corporation on 23/3/95, reviewed and amended on 25/11/98, 31/3/02, 26/7/06, 30/7/08, 27/7/11, 24/7/12, 20/6/13, 28/7/16, 13/7/17, 12/7/18 and 4/7/19)

1. INTRODUCTION

- 1.1 This Code is intended as a guide for Corporation Members, to indicate the standards of conduct which are expected of them, to enable them to understand their legal duties and to assist them both in carrying out their duties and in their relationship with the Corporation and the Principal. This Code is therefore aimed at promoting effective and well-informed college governance, and is not intended to be a definitive or authoritative statement of the law.

As members of a Corporation within the public sector, Governors accept that they will operate within the principles laid down by the Nolan Committee for those holding public office, namely:-

Selflessness
Integrity
Objectivity
Accountability
Openness
Honesty
Leadership

- 1.2 In addition to this Code, Members are recommended to familiarise themselves with the following which will be supplied to them on appointment:-
- a) the College's Instrument of Government
 - b) the College's Articles of Government
 - c) the College's Strategic Plan
 - d) the Financial Memorandum entered into by the College with the Skills Funding Agency (SFA)
 - e) The Corporation's Standing Orders
 - f) Information on the availability of internet based training materials.

Appendices 1, 2 and 3 are attached to this Code for easy reference. They should not be read as an exhaustive statement of duties, powers or provisions, and Members should refer to the source documents listed above. If a Member is in doubt about the provisions of any of these documents, the Clerk should be consulted and, if necessary, legal advice should be obtained. However, ultimate responsibility for the appropriateness of conduct as a Member of a corporate body and for any act or omission in that capacity rests with the individual Member.

- 1.3 This Code applies to every committee or other subsidiary body of the Corporation to which Members may be appointed.
- 1.4 Acceptance of appointment as a Member of the Corporation will be construed as acceptance of this Code.

2. DEFINITIONS

In this Code “College” means Moulton College, “Member”, “Chair”, “Principal” and “Clerk” mean respectively the Member, Chair, Principal and Clerk for the time being of the Corporation. All other definitions have the same meanings as given in the College’s Instrument and Articles of Government, and words importing one gender will import all genders.

3. DUTIES

- 3.1 Members owe a fiduciary duty to the College. This means that they should show it the highest loyalty and act in good faith in its interests. Each Member should act honestly, diligently and, subject to the provisions appearing in paragraph 7 of this Code relating to collective responsibility, independently.
- 3.2 Whatever decisions Members take at meetings of the Corporation and its committees must be for the benefit of the College as a whole and not for any improper purpose, or for personal motive. The “benefit of the College” can be taken to mean, first and foremost, the interests of its students and other users of the College’s services, and the safeguarding of public funds. Members should have regard to those interests, and must not allow any sectional interest to take precedence. In particular, Members are not appointed as ‘representatives’ or ‘delegates’ of any outside body, and may not lawfully be bound by mandates given by others.
- 3.3 Members must observe the provisions of the College’s Instrument and Articles of Government and in particular the responsibilities given to the Corporation by Article 3 of the College’s Articles of Government. Those responsibilities, including a list of “reserved” responsibilities which are so important that they must not be delegated, are set out in Appendix 1.
- 3.4 Members should also have regard to the different, but complementary, responsibilities given to the Principal as the College’s Chief Executive. Whereas it is the Corporation’s function to decide strategic policy and overall direction and to monitor the performance of the Principal and any other senior post holders, it is the Principal’s role to implement the Corporation’s decisions, and to manage the College’s affairs within the budgets and framework fixed by the Corporation. Members should work together so that the Corporation and the Principal perform their respective roles effectively.
- 3.5 Members are collectively responsible for observing the duties set out in the Financial Memorandum which the College has entered into with the Skills Funding Agency (SFA) as a condition of receiving public funds. A summary of some of the more important requirements of the Financial Memorandum is set out in Appendix 2.
- 3.6 In addition to the funds provided by the SFA to the College, Members should note that they are also responsible for the proper use of income derived from other funding bodies, such as the Education Funding Agency (EFA), Higher Education Funding Council for England (HEFCE) and the European Union (EU).

4. SKILL, CARE AND DILIGENCE

A Member should in all his or her work for the College exercise such skill as he or she possesses and such care and diligence as would be expected from a reasonable person in the circumstances. This will be particularly relevant when Members act as agents of the College for example, when functions are delegated to a committee of the Corporation or the Chair.

5. POWERS

Members are responsible for taking decisions which are within the powers given to the Corporation by Sections 18 and 19 of the Further and Higher Education Act 1992. A summary of those powers is set out in Appendix 3. If a Member thinks that the Corporation is likely to exceed its powers by taking a particular decision, he or she should immediately refer the matter to the Clerk for advice.

6. CONFLICTS OF INTEREST

6.1 Like other persons who owe a fiduciary duty, Members should seek to avoid putting themselves in a position where there is a conflict (actual or potential) between their personal interests and their duties to the Corporation. They should not allow any conflict of interest to arise which might interfere with the exercise of their independent judgement.

6.2 Members are reminded that under Clause 12 of the College's Instrument of Government they must disclose to the Corporation any financial interest which they have, or may have, in:-

- a) the supply of work or goods to or for the purposes of the College;
- b) any contract or proposed contract concerning the College; or
- c) any other matter relating to the College; or
- d) any other interest of a type specified by the Corporation in any matter relating to the institution.

6.3 However, an interest does not have to be financial for the purposes of disclosure. If it is likely or, if publicly known, perceived as being likely to interfere with the exercise of a Member's independent judgement, then the interest, financial or otherwise, should:-

- a) be reported to the Clerk; and
- b) be fully disclosed to the Corporation before the matter giving rise to the interest is considered.

Members should refrain from the discussion and any voting which may take place on the matter giving rise to the interest and should withdraw from the meeting for the duration of the agenda item if required to do so by a majority of the Members present.

6.4 Members must not receive gifts, hospitality or benefits of any kind from a third party which might be seen to compromise their personal judgement or integrity. Any offer or receipt of gifts, hospitality or benefits should immediately be reported to the Clerk.

6.5 The Clerk will maintain a Register of Members' Interests which will be open for public inspection. Members should routinely disclose to the Corporation all business interests, financial or otherwise, which they or their spouses, children or other close relatives may have, and the Clerk will enter such interests on the Register. Members must inform the Clerk whenever their circumstances change and interests are acquired or lost.

7. COLLECTIVE RESPONSIBILITY

7.1 The Corporation operates by Members taking majority decisions at quorate meetings. Therefore a decision of the Corporation, even when it is not unanimous, is a decision taken by the Members collectively and each individual Member has a duty to stand by it.

7.2 If a Member disagrees with a decision taken by the Corporation, his or her first duty is to have any disagreement discussed and minuted. If the Member still strongly disagrees, he or she should consult the Chair and, if necessary, then raise the matter again with the Corporation when it next meets. If no meeting is scheduled, the Member should refer to Clause 13(4) of the College's Instrument of Government as to the powers to call a special meeting and, if appropriate, exercise them, requesting the Clerk to circulate the Member's view in advance to the other Members. Alternatively, the Member may decide to offer his or her resignation from office, after consulting the Chair.

8. CONFIDENTIALITY

8.1 Because of the Corporation's public accountability, Members should ensure that, as a general principle, students and staff of the College and the general public have free access to information about the proceedings of the Corporation. Accordingly, agendas, minutes and other papers relating to meetings of the Corporation are normally available for public inspection from the Clerk after they have been approved by the Chair. Minutes of Corporation and Committee meetings are also made available on the College website once they have been approved and signed at the next meeting.

8.2 There will be occasions when the record of discussions and decisions will not be made available for public inspection, for example, when the Corporation considers sensitive issues or named individuals, and for the other good reasons. Such extended items will be kept in a confidential folder by the Clerk, and will be circulated in confidence to Members. However, Staff and Student Members may not have access to minutes dealing with Part 2 Agenda Items or other matters in respect of which they are required to withdraw from meetings under Clauses 15 (5), (8) or (9) of the College's Instrument of Government. Minutes of part 2 meetings shall be reviewed after 2 years under the guidelines for determining confidentiality. A copy of parts of the minutes no longer considered confidential shall be made public.

8.3 It is important that the Corporation and its committees have full and frank discussions in order to take decisions collectively. To do so, there must be trust between Members with a shared corporate responsibility for decisions. Members should keep confidential any matter which, by reason of its nature, the Chair or the Members or the Chair or members of any committee of the Corporation are satisfied should be dealt with on a confidential basis.

8.4 Members should not make statements to the press or media or at any public meeting relating to the proceedings of the corporation or its committees without first having obtained the approval of the Chair or, in his or her absence, the Vice Chair. It is unethical for Members publicly to criticise, canvass or reveal the views of other Members which have been expressed at meetings of the Corporation or its committees.

9.0 ATTENDANCE AT MEETINGS

A high level of attendance at meetings of the Corporation is required so that Members can perform their functions properly. A Member who is unable to attend Corporation Meetings on a regular basis should offer his or her resignation from office. In accordance with the Instrument of Government any member who has been absent from meetings of the Corporation for a period longer than 6 consecutive months without the permission of the Corporation or is unable or unfit to discharge the functions of a member shall be removed from office.

10. GOVERNANCE DEVELOPMENT

10.1 Members are encouraged to obtain a thorough grounding in their duties and responsibilities by participating in the College's induction and training programmes, including regular refresher workshops.

10.2 In order to promote more effective governance, Members will carry out an annual review of the performance by the Corporation of its duties and responsibilities as part of a continuing process of self-evaluation.

AS A MEMBER OF THE CORPORATION I AGREE TO OBSERVE THIS CODE OF CONDUCT TO THE BEST OF MY ABILITIES.

The main points to note are as follows:-

(a) Responsibilities of the Governing Body

(c) Provision of Information

In addition to the other requirements to provide information set out in this Financial Memorandum the Chief Executive reserves the right to request information from the College in order to exercise her responsibilities and to meet European funding requirements. (g) Sub-contracted Provision

The College must comply with the requirements on sub-contracting delivery of the Provision set out in the Funding Rules as amended and updated. Sub-contracting any part of the delivery of the Provision shall not relieve the College of any obligation or duty attributable to it under this Financial Memorandum.

Where the College has sub-contracted any duties or obligations arising out of this Financial Memorandum, the College shall ensure that there is in place a legally binding sub-contract and send copies of the subcontract to the Chief Executive if requested in writing to do so. The College shall demonstrate that any payments made in respect of the termination of employment are regular secure value for money and have not been

made where disciplinary action would have been justified. All such payments shall be brought to the attention of the College's financial statements auditors.

The College must ensure that it has an effective policy of risk management.

The College shall investigate and report to the Chief Executive all significant cases of internal and external fraud or suspected fraud or irregularity (as defined in the *Joint Audit Code of Practice*). The Chief Executive reserves the right to review the College's fraud investigation files.

(l) Additional Conditions of Funding

The Chief Executive reserves the right to impose additional conditions of funding where she considers it is necessary to do so to secure the delivery of education and training of a reasonable quality by the College, or ensure that the resources provided by her are being used effectively and efficiently or to require the College to address concerns about its financial viability.

(m) Repayment of Funds

The Chief Executive reserves the right to require the College to repay all or part of the funds provided by her in the event of a breach of the terms and conditions of funding set out in this Financial Memorandum or any previous Financial Memorandum between the Chief Executive or any predecessor body.

(n) Interpretation

Nothing in this Financial Memorandum shall require the College to act in a manner which would cause it to lose its charitable status.

No failure to exercise or delay in exercising by the Chief Executive any of her rights, powers and remedies shall operate as a waiver of any of them.
