What will this course cost me?

This course is free of charge so long as you meet the entry requirements.

What does a typical week look like?

This course is ideal for people who like to learn independently and do not wish to come on to campus to study. The online portfolio of resources and assessment questions means that you can organise your study to be at a time/day to suit and from a location which is convenient.

How will I be assessed?

The course is online. When you enrol you will be given a login to our learning platform where you will find your interactive learning materials and assessments. You will be given deadline to complete and submit the work. You will receive detailed feedback on your work so that you can improve your skills as you progress through the course.

Where can it lead to?

The qualification makes you a valuable asset to employers and provides a solid foundation for further career advancement. With

practical experience and continuous learning, you can progress to more senior roles within the business sector.

What are the entry requirements for this course?

To study for this course you must live in England and be aged 19 years or over. To complete the enrolment process you will need your National Insurance number, a form of identification, employment documents and details of your previous qualifications.
