

Electrical Installation

Diploma Level 2

STUDY MODE
Full time

LOCATION
Moulton / Higham Ferrers

LEVEL
Level 2

START DATE
Sep 2023

DURATION
1 year

This qualification covers many areas within Electro technical technology, units such as principles of electrical science, electrical installations technology and health and safety within Building Services Engineering. Candidates will be assessed by on-demand multiple choice tests (available through the City & Guilds assessment platform e-volve) and practical assignments.

What will this course cost me?

Hi-Vis and Work Safety Boots are required to undertake this course. All of our equipment is supplied by Baca.

A typical week

This is a full time course taking place on three days per week from 9am - 4:30pm. There will be a mix of practical and theoretical work which are split into 1 hour - 1.45 hour lessons. You will have regular breaks including a lunch break.

How will I be assessed?

Vocational and professional qualifications are taught through college based theory and practical lessons with further learning and understanding developed via directed self-study. Assessment consists of internally set coursework and assignments, although some professional and vocational qualifications may require the achievement of externally set assessments.

Where can it lead to?

Our qualifications can lead directly into employment, offering learners the chance to develop their skills and knowledge to a high standard recognised by the industry. Learners may also progress from the Level 2 qualifications through to Level 3.

Entry requirements

Two GCSE passes at Grade 3 (D) or above plus GCSE at grade 4 (C) in both English and Mathematics or Level 1 Diploma in Electrical Installation.
