

Supported Internship

Certificate Level 1

STUDY MODE
Full time

LOCATION
Moulton

LEVEL
Level 1

START DATE
Sep 2022

DURATION
1 year

Designed for young people who have attended special schools or who have not attended mainstream education in the past supported learning students have access to an exciting range of specialist resources at the College.

Preparing you for adulthood, these courses will teach you practical skills across your chosen subject. You will also have the opportunity to undertake a work placement which will allow you to develop invaluable industry skills.

You will gain employability skills that will help as you progress through your career. There will be some travel training to enable you to travel independently to your place of work. Maths and English skills that are relevant to your career will be incorporated.

A typical week

You will spend one day in college where you will study Employability and work related information alongside English and Maths skills and learning to travel independently. You will then spend two days in the work place where you will receive support from Job Coaches to help you learn and master the job you are doing.

How will I be assessed?

Your written work will receive verbal and written feedback from your lecturer and Job coaches.

Where can it lead to?

The aim of this course is to enable you to secure paid or voluntary work. At the end of the year your EHCP will cease.

Entry requirements

Education Health and Care Plan required.
