

Plumbing

Diploma Level 2

STUDY MODE
Part time

LOCATION
Moulton

LEVEL
Level 2

START DATE
14 September 2026

DURATION
1 year

Our part-time Level 2 Diploma in Plumbing will provide you with further skills and insights into this industry.

Our Plumbing students have access to an exciting range of specialist resources at the College. You will use our unique workshop equipped with state-of-the-art tools and facilities to develop a range of skills.

Please note that this is a part-time course and you must be aged 19+ to apply.

What will I learn on the course?

Guided by our expert lecturers you will develop your skills in domestic hot and cold water installations and gain a wider knowledge of central heating systems.

Through practical and theoretical learning you will find out more about the electrical principles, as well as a focus on the implementation of drainage systems. You will cover modules including:

- Health and Safety
- Common Plumbing Processes
- Domestic Cold Water
- Domestic Hot Water
- Electrical Principles
- Scientific Principles
- Sanitation
- Communication within BSE
- Central Heating
- Drainage

What will this course cost me?

Course cost: £1,500

Note: These fees are applicable for students living in non-devolved authorities (e.g. West Northamptonshire, North Northamptonshire, Leicestershire). Students living in devolved authorities may have to pay higher fees. To find out if you live in a

devolved or non-devolved postcode for the purposes of adult funding please visit: <https://skillspostcodecheck.com/>

Hi-Vis and Work Safety Boots are required to undertake this course. You can find a full equipment list [here](#).

To secure your place on this course a non-refundable deposit must be paid. You may be able to apply for funding towards the cost of this course, depending upon your circumstances at the start of the course. Payment plans are also available.

For further information including price and how to pay please contact our student services team on 01604 491131.

What does a typical week look like?

This course will take place on a Monday and Wednesday, starting at 6pm and finishing at 9pm.

The course will start on Monday 14 September 2026.

How will I be assessed?

This qualification includes an exam during the day in March. You will also require two days off work to complete your synoptic assessment.

Where can it lead to?

This diploma will give you the chance to progress to the Level 3 Diploma in Plumbing Studies, an apprenticeship, full-time employment in the industry as a plumber or set up as a sole trader (self-employed) in the sector.

What are the entry requirements for this course?

You must be over the age of 19 to apply for this course.

GCSE grade 4/5 or C in English & Maths or a Level 1 in a trade related subject.

Alternatively, we may be able to consider your application on the basis of previous experience.

You will be contacted after applying for clarification of entry requirements, you will need to evidence achievement of a GCSE grade 4/5 or C, if you are unable to evidence your grades you may be asked to complete an initial assessment.

Good to know

Please note that there is a heavy element of maths involved in this course.
