

Plumbing

Level 3

STUDY MODE
Part time

LOCATION
Moulton

LEVEL
Level 3

START DATE
15 September 2025

DURATION
1 year

This qualification is aimed at adults aged 19+ wishing to gain the knowledge required at Level 3 to commence a career within the plumbing and heating sector.

What will I learn on the course?

This qualification covers topics to do with health & safety, planning and supervision, cold and hot water systems design and central heating systems, as well as sanitation, rainwater and environmental systems.

What will this course cost me?

Course cost: £3,345

To secure your place on this course a non-refundable deposit must be paid. For further information including price and how to pay please contact our student services team on 01604 491 131.

Hi-Vis and Work Safety Boots are required to undertake this course. You can find a full equipment list [here](#).

What does a typical week look like?

This will be taught across two evenings per week and three hours per evening. There will also be a requirement for some self-directed study between lessons.

The course will start on Monday 15 September 2025.

How will I be assessed?

You will be assessed through a mixture of written, multiple-choice and practical assessments.

Where can it lead to?

The qualification will support progression onto a Plumbing & Heating apprenticeship and eventually into a role as a plumbing and domestic heating engineer.

What are the entry requirements for this course?

To be considered for this course you must have either a Level 2 Diploma in Plumbing Studies 6035-02 or a Level 2 Technical Diploma in Plumbing Studies 8202-25
