

Plumbing

Level 3

STUDY MODE
Part time

LOCATION
Moulton

LEVEL
Level 3

START DATE
14 September 2026

DURATION
1 year

This qualification is aimed at adults aged 19+ wishing to gain the knowledge required at Level 3 to commence a career within the plumbing and heating sector.

What will I learn on the course?

This qualification covers topics to do with health & safety, planning and supervision, cold and hot water systems design and central heating systems, as well as sanitation, rainwater and environmental systems.

What will this course cost me?

Course cost: £3,345

Hi-Vis and Work Safety Boots are required to undertake this course. You can find a full equipment list [here](#).

To secure your place on this course a non-refundable deposit must be paid. You may be able to apply for funding or an Advanced Learning Loan towards the cost of this course, depending upon your circumstances at the start of the course.

For further information including how to pay please contact our student services team on 01604 491131.

What does a typical week look like?

This will be taught across two evenings per week and three hours per evening. There will also be a requirement for some self-directed study between lessons.

The course will start on Monday 14 September 2026.

How will I be assessed?

You will be assessed through a mixture of written, multiple-choice and practical assessments.

Where can it lead to?

The qualification will support progression onto a Plumbing & Heating apprenticeship and eventually into a role as a plumbing and domestic heating engineer.

What are the entry requirements for this course?

To be considered for this course you must have either a Level 2 Diploma in Plumbing Studies 6035-02 or a Level 2 Technical Diploma in Plumbing Studies 8202-25
