

Electrical Installation

Diploma Level 2

STUDY MODE
Full time

LOCATION
Moulton

LEVEL
Level 2

START DATE
Sept 2025

DURATION
1 year

This qualification is for you if you wish to work as an electrician in the building services industry. It has been designed to deliver a high level of occupational skills and provide a platform from which to progress through further into an apprenticeship, further study or employment.

What will I learn on the course?

The course will focus on giving you fundamental electrical skills plus Health & Safety, Science principles and design aspects.

What will this course cost me?

This course is free of charge if you are aged under 19 at the start of your course.

Hi-Vis and Work Safety Boots are required to undertake this course. You can find details of what you will need on our [equipment list page](#).

In addition you may find it useful to purchase a textbook for your course. This can be purchased from a range of suppliers including [Amazon](#).

What does a typical week look like?

This is a full time course taking place on three days per week from 9.15am - 4:30pm. There will be a mix of practical and theoretical work which are split into 1 hour - 1.45 hour lessons. You will have regular breaks including a lunch break.

Your timetable will include English and maths if you do not already have a Grade 4 in these subjects. You will also have tutorial sessions.

How will I be assessed?

You will be assessed throughout the course through multiple choice papers. Your final grade will be determined through practical assessment and a multiple choice paper.

Where can it lead to?

This diploma will give you the chance to progress to a Level 3 in Electrical Installation, subject to meeting the entry requirements. You could also progress to an apprenticeship, or work full-time employment in the industry.

What are the entry requirements for this course?

Two GCSE passes at Grade 3 (D) or above plus GCSE at grade 4 (C) or above in both English and maths.
