

Electrical Installation

City & Guilds Diploma Level 3

STUDY MODE
Full time

LOCATION
Moulton

LEVEL
Level 3

START DATE
Sept 2026

DURATION
1 year

This qualification covers many areas within Electro technical technology, units such as principles of electrical science, electrical installations technology and health and safety within Building Services Engineering. It builds on the skills and knowledge learnt at Level 2 and expands to cover testing and inspection. Candidates will be assessed by on-demand multiple choice tests (available through the City & Guilds assessment platform e-volve) and practical assignments.

What will this course cost me?

Hi-Vis and Work Safety Boots are required to undertake this course. All of our equipment is supplied by Baca.

In addition you may find it useful to purchase a textbook for your course. This can be purchased from a range of suppliers including [Amazon](#).

What does a typical week look like?

This is a full time course taking place on three days per week from 9am - 4:30pm. There will be a mix of practical and theoretical work which are split into 1 hour - 1.45 hour lessons. You will have regular breaks including a lunch break.

Your timetable will also include pastoral and tutorial sessions.

How will I be assessed?

Vocational and professional qualifications are taught through college based theory and practical lessons with further learning and understanding developed via directed self-study. Assessment will be at the end of the course and consist of practical and theory tests set by the awarding body.

Where can it lead to?

After successful completion of this course you could progress on to a higher level apprenticeship or higher education. Alternatively you could enter directly into employment.

What are the entry requirements for this course?

Level 2 Electrical Installation and grade 4 or above in GCSE English and maths.

Good to know

As part of your course you will be required to complete work experience. Students are encouraged to find their own work experience placements however we can assist with this if required.
